

Quality and FOOD SAFETY POLICY

Plásticos Industriales Hondureños S.A. de C.V., an organization dedicated to the decoration of metal sheets, manufacturing, and commercialization of crown caps for carbonated beverages and beers, as well as injection and extrusion of plastic products, bases its operations on a solid culture of quality and food safety. We fulfill the mutually agreed requirements with our customers and other interested parties, as well as applicable legal and regulatory requirements.

Focused on increasing customer satisfaction and communication with relevant customers and stakeholders, the organization has competent and committed personnel who manage processes based on the continuous improvement of the Quality and Food Safety Management System (QFSMS). Our efforts are directed towards achieving the overall objectives of PLIHSA:

- Increase the effectiveness of the QFSMSA
- Increase customer satisfaction
- Increase product conformity and safety
- Increase staff competence
- Increase the operational efficiency of the organization
